examine the roots and practicality of biblical and modern apologetics with the guidance of five experts and learn to apply their best practices to your own journey god has called christians to be prepared to defend their hope in christ but what s the best method for making this defense in this book five expert apologists set out together to determine which approach to apologetics is the most faithful to scripture and the most useful in a secular age in this fast paced and thorough exploration enjoy learning solid scriptural defenses for the use of apologetics five different approaches to apologetics and how to employ them and much more understanding apologetics presents in counterpoint form five popular approaches to the defense of the christian faith

that have developed throughout history from the early days of christianity through to our practices today apologetics philosophies explored here include cultural apologetics presuppositional apologetics evidential apologetics classical apologetics ecclesial apologetics about the contributors these defenses are much more than academic each contributor is a scholar who also practices apologetics daily the result is a thorough yet fast paced and practical guide to defending your faith melissa cain travis phd faulkner university argues that classical apologetics is still vital and relevant today sean mcdowell phd the southern baptist theological seminary contends that evidential apologetics is better suited than other methods when it comes to answering people s doubts about the christian faith james n anderson phd university of edinburgh focuses on epistemology and makes the case for presuppositional apologetics d a horton phd southeastern baptist theological seminary suggests the other perspectives are incomplete until they include cultural apologetics timothy paul jones phd the southern baptist theological seminary retrieves the apologetics methods of the early church and recontextualizes these ancient arguments to meet the challenges of a secular age

apologetics what is that isn t that for theologians and pastors these are the rebuttals one might receive when encouraging christians to learn and engage in apologetics the defense of the christian faith this book isn t about apologetics per se instead it reviews the many benefits for christians engaging in apologetics and learning about it dr almodovar reviews what aspects of the field helped strengthen her own faith and brought excitement in bringing the good news of the forgiveness of sins through jesus christ as she spoke with those who aren t christians over the past years dr almodovar has actively engaged in encouraging christians to actually do apologetics and many have come back to her saying it not only helped them answer the questions of non believers but strengthened their own faith knowing now the great amount of evidence there is for the christian religion if you ve never engaged in defending the faith now is the time to learn how it will benefit you in your walk with christ and perhaps excite you to dig a little deeper so you too can answer their questions about jesus his life death and resurrection for the forgiveness of all our sins

christian confidence is a one stop shop for young christians who want to bring composure and knowledge to conversations of faith in the twenty first century as readers work through the history theory and practice of apologetics they will find that defending the faith is not a chore but a practice meant to bring unity and coherence to the christian life

is it still possible in an age of religious and cultural pluralism to engage in christian apologetics how can one urge one's faith on others when such a gesture is typically regarded with suspicion if not outright resentment in humble apologetics john g stackhouse brings his wide experience as a historian philosopher journalist and theologian to these important questions and offers surprising and reassuring answers stackhouse begins by acknowledging the real impediments to christian testimony in north america today and to other faiths in modern societies around the world he shows how pluralism postmodernism skepticism and a host of other factors create a cultural milieu resistant to the christian message and he shows how the arrogance or dogmatism of apologists themselves can alienate rather than attract potential converts indeed stackhouse argues that the crucial experience of conversion cannot be compelled all the apologist can do is lead another to the point where an actual encounter with jesus can take place finally he shows how displaying an attitude of humility instead of merely trying to win religious arguments will help believers offer their neighbors the gift of christ's love drawing on the author's personal experience and written with an engaging directness and an unassuming nature humble apologetics provides sound guidance on how to share christian faith in a postmodern world

why do christians believe what they believe what is it about christianity that makes us believe we have the one and only way to heaven after all would a loving and caring god actually send somebody to hell just because they happened to follow a teacher who got a few facts wrong what about the area of science how can we claim with confidence that the universe had a beginning and will have an end when renowned scientists and physicists have claimed that the universe is eternal if there is no god where do ethics and morality come from and on what do we base our concept of right and wrong in why a believer's guide to defending the faith author doug taylor helps christians find the answers to those and other questions this guide is divided into six main sections understanding the apologetics determining if the bible supports or prohibits us from looking for evidences of god and his work basic differences between the occult cults and false religions how the church and atheism are obstacles to apologetics today and a look at positive supports for the christian worldview and christianity at large the final section is a recap and challenge to the reader moving forward written in easy to understand unintimidating language why is designed for new and veteran christians it will help prepare all christians to explain to others the truths of their faith

when defending the faith it is not sufficient to merely go after a few surface issues the real battle goes much deeper the defender of the historic christian faith must blast deep into the foundations of the enemy's worldview by exposing and

destroying his presuppositions the battle for truth cannot be won apart from destroying the false presuppositions held by those who reject the gospel

the revered christian author whose bestselling classics include the divine conspiracy and the spirit of the disciplines provides a new model for how we can present the christian faith to others when christians share their faith they often appeal to reason logic and the truth of doctrine but these tactics often are not effective a better approach to spread christ s word dallas willard suggests is to use the example of our own lives to demonstrate jesus s message we must be transformed people living out a life reflective of jesus himself a life of love humility and gentleness this beautiful model of life this allure of gentleness willard argues is the foundation for making the most compelling argument for christianity one that will convince others that there is something special about christianity and the jesus we follow

christian apologetics scholar william lane craig provides a powerful and practical guide for defending the christian faith this concise guide is filled with illustrations sidebars and memorable steps to help christians stand their ground and defend their faith with reason and precision in his engaging style dr craig offers ways to equip christians including how to answer the difficult questions about your faith overcome times of spiritual doubt understand not just what you believe but why you believe paired with personal stories from dr craig s own life this one stop training manual will guide you in developing a biblical world view and will show you how being on guard with the truth has the power to change lives forever

introduction to defending the faith dr robert a morey is internationally respected as one of the best theologians and apologists in the 21st century he is the author of over 60 books dr morey s educational background includes classical greek as well as koine greek hebrew philosophy jewish and rabbinic writings such as the midrash mishnah talmuds dead sea scrolls and apocalyptic literature dr morey s ministry is recommended by some of the best known christian leaders in this generation d james kennedy john ankerberg gordon clark john frame cornelius van til walter martin gleason archer stephen olford francis a schaeffer and many others defending the faith is commanded by god what do you say when someone argues that god does not exist or that science has disproved jesus resurrection or that the bible is filled with errors how can the average christian answer objections like these noting that all christians are called upon to defend the faith dr robert morey makes clear the principles and attitudes basic to that task as they are expressed in a biblical world and life view designed to cut to the heart of

non christian thinking this book includes a handy chart showing christian replies to many common intellectual challenges dr robert a morey ph d d min d d faith defenders faithdefenders com

a most accessible but thoroughly practical primer on apologetics

is it still possible in an age of religious and cultural pluralism to engage in christian apologetics how can one urge one s faith on others when such a gesture is typically regarded with suspicion if not outright resentment in humble apologetics john g stackhouse brings his wide experience as a historian philosopher journalist and theologian to these important questions and offers surprising and reassuring answers stackhouse begins by acknowledging the real impediments to christian testimony in north america today and to other faiths in modern societies around the world he shows how pluralism postmodernism skepticism and a host of other factors create a cultural milieu resistant to the christian message and he shows how the arrogance or dogmatism of apologists themselves can alienate rather than attract potential converts indeed stackhouse argues that the crucial experience of conversion cannot be compelled all the apologist can do is lead another to the point where an actual encounter with jesus can take place finally he shows how displaying an attitude of humility instead of merely trying to win religious arguments will help believers offer their neighbors the gift of christ s love drawing on the author s personal experience and written with an engaging directness and an unassuming nature humble apologetics provides sound guidance on how to share christian faith in a postmodern world

apologetics the defense of the faith shows why our christian faith is true but it s much more than that apologetics isn t just the province of scholars and saints but of ordinary men and women parents teachers lay ministry leaders pastors and everyone who wants to develop a stronger faith to understand why we believe what we believe to know our lord better and love him more fully in apologetics and the christian imagination an integrated approach to defending the faith holly ordway shows how an imaginative approach in cooperation with rational arguments is extremely valuable in helping people come to faith in christ making a case for the role of imagination in apologetics this book proposes ways to create meaning for christian language in a culture that no longer understands words like sin or salvation suggests how to discern and address the manipulation of language and shows how metaphor and narrative work in powerful ways to communicate the truth it applies these concepts to specific key apologetics issues including suffering doubt and longing for meaning and beauty apologetics and the christian

imagination shows how christians can harness the power of the imagination to share the faith in meaningful effective ways

equip yourself and be ready to give an answer for your faith examine scientific disciplines from a young earth and worldwide flood approach identify the weaknesses in origin theories that ignore god learn how to rebut theories of atheistic scientism that compromise biblical truth have you ever been faced with an argument rejecting the doctrine of special creation and a global flood were you left scrambling for an answer in defending the faith henry morris presents the evolutionary and bible compromising arguments for the origins of the earth and universe then reveals their many flaws through sound evidence and logic this book will prepare you to refute both scientifically and biblically evolutionary claims as well as christian concepts such as the gap and day age theories equipped with such knowledge you will be ready always to give an answer to every man that asketh you a reason of the hope that is in you 1 peter 3 15

every generation must contend for the faith in its own way jesus said i am the way and the truth and the life no one comes to the father except through me john 14 6 with the entire christian faith standing or falling on the validity of such an utterly exclusive and uncompromising claim doctrine that truly aligns with jesus will cause division when we represent our faith honestly it is simply inevitable at times we will be at odds with others friends relatives perhaps even other christians yet we are called to contend in obedience to and for the sake of the most divisive person in history and the challenge is to do it in the way jude describes as an act of mercy toward those who doubt and those who have been deceived regardless of whether they claim faith in christ

this book is a logical look at the evidences for the existence of god christ and the inspiration of the bible the hope is that this material will excite you encourage you build your faith and ultimately enable you to be able to defend that faith

for many of today s christians their go to style of proclaiming the faith is to share their own experiences while this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences rather christians should use the pattern set forth in the new testament by the apostles and evangelists the gospel of jesus who died was buried and rose to life on the third day according to the scriptures in this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the christian faith giving all christians the pattern to follow in their

own opportunities to share the one true faith

defending the christian faith by demonstrating its reality relational apologetics is about your life becoming a defense of the christian faith every relationship you have is an opportunity for you to connect people to their creator by displaying your hope both in word and deed defending your faith is not just about answering questions and proving that god exists it is about showing that he is real by the way you live it is about demonstrating the power of god through your holiness and it is about drawing people to jesus through your kindness using stories and drawing on personal experiences sherrard teaches the importance of holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic s questions the book doesn t delve deeply into the scientific and philosophical arguments for the existence of god and the validity of christianity rather it provides solid simple and easily remembered reasons why one should believe it also teaches essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them

christian apologetics

the first book on christian apologetics written by a leading atheist figure that teaches christians the best and worst arguments for defending their faith against attack the christian faith has been vigorously defended with a variety of philosophical historical and theological arguments but many of the arguments that worked in an earlier age no longer resonate in today s educated west where has apologetics gone wrong what is the best response to the growing challenge presented by scientific discovery and naturalistic thought unlike every work on christian apologetics that has come before how to defend the christian faith is the first one written by an atheist for christians as a former christian defender who is now a leading atheist thinker john loftus answers these questions and more he shows readers why christian apologists have failed to reach the intelligent nonbeliever and offers practical advice for christians whether they want to better defend their faith against atheist arguments or actively convert more individuals to christianity

real answers for the tough questions today s christians face whether you want to grow in your own understanding of christianity or need trustworthy responses to the questions of friends dan story has the answers defending your faith helps

christians see that their faith is reasonably and intelligently grounded on objective verifiable evidence and it equips readers to share these answers with family friends and coworkers who have questions about christianity story s book has filled a valuable niche in apologetics for the past twenty years he has helped countless readers answer confrontational questions such as how do i know that god exists can i trust the bible why is there evil and suffering in the world is god an environmentalist are the bible and science in conflict in this revised and expanded edition dan story goes even further with the latest apologetic evidence and tactics he not only answers those age old questions but also deals with new challenges to christianity that have emerged over the last two decades including the ubiquitous presence of social media he also responds head on to the new breed of vocal aggressive man on the street atheists with culturally relevant strategies and a firm foundation of truth defending your faith will challenge you to share your faith with others while knowing that you are not alone as you witness for christ
